### THE FINE PRINT

Beverages, tax, gratuity and a 3.5% administrative fee\* will be billed on the day of the event. Please let us know of special dietary needs before signing this agreement. We are happy to accommodate diners with special dietary needs at your feast, however, they will be billed at the same price as the others attending. The guaranteed minimum number of guests for your feast is the number of guests indicated above. We will do our best to accommodate last minute additions to your party but handle those requests on a case to case basis. Special requests or a la carte orders the day of your event will be billed at our normal prices. We kindly ask that your guests arrive at the reservation time, as food will begin being served within 15 minutes of the reservation time.

*\* Administrative fee, or any portion of it, does not represent a tip, gratuity or service charge for service staff associated with your event or any other employee at the restaurant. It is used to offset certain operational costs associated with your event. The gratuity compensates the service employees and additional tipping is not required or expected.*

"I authorize Resto to charge my credit card a deposit of 25%. The deposit is non-refundable in the event of cancellation within seven days of the event. If cancellation occurs within 48 hours of the event I will be billed at 50%."
